

## MUSIC LESSON SCHOLARSHIP INFORMATION

We are a Bath based music teaching charity who offers instrumental lessons and performance opportunities to children and adults from age 6+. We are looking for people who share our passion for music and believe that the power it has in aiding and shaping people's lives, should be supported from the outset.

We have been teaching in Bath for over 10 years at our professional music studios based in Green Park Station. We offer inspiring music lessons in a variety of instruments. We teach over 200 students from all walks of life and most are fortunate to receive financial backing from their parents. Unfortunately, we are acutely aware of the increasing financial restraints put on schools and parents themselves,

There are many children for whom music could be a key to shaping their life that are unable to have musical tuition and we, with your help are setting out to change that.

We have a record of helping students ourselves with free lessons and performance opportunities but there is a limit to how much we can achieve without additional funding.

This is where we are hoping that the opportunity to 'sponsor our student scholarship' scheme may be of interest to you?

The full details of what your opportunities your donation would offer to a young person are below...

### One Years Full Music Scholarship | £1053

#### LESSONS

This gives the sponsored student access to weekly lessons during term time with a total of 36 lessons throughout their 12 month sponsored period.

#### INSTRUMENT

We will also provide them with an instrument to take home to ensure they can practice and achieve their full potential.

#### PERFORMANCE

Every Scholarship student will be given the chance to perform at one of our live music events during the course of their studies. This will also give them high quality videos and photos to document their journey.

#### QUALIFICATION

Each student will have the opportunity to take part in a music grading. This will give them a registered qualification and certification at the end of their scholarship year.

*(this will always be optional as we encourage every student to choose the learning journey that suits them and brings the most enjoyment.)*
